Other (please mention) \_\_\_\_\_

Ask the front desk or our technician about gift certificates and how to own or rent a chamber.

**Please note:**

- The time spent in the chamber at maximum chamber pressure will be an hour, and it starts as soon as the chamber reaches it's maximum pressure.
- Please empty your bowel and bladder prior dive.
- No food, flammable substances, shoes, sharp objects, heavy cosmetics/perfumes/colognes, heavily soiled clothes and pets are allowed.
- Clients with claustrophobia may need their medication prior dive since chambers are tighter than normal spaces.
- You may feel warm or sweat as you are detoxing. Bring your own towel, bottled water, or a blanket if you feel it's necessary.
- Wear comfortable, loose clothing if possible. Otherwise, there is no clothing requirement that is needed.
- You will learn several techniques to equalize ear pressures before you begin, and pressure ear plugs are available upon request for \$6 each.
- Clients inside have an easy access to communication with the outside attendant by simply talking aloud through the chamber wall. You may knock gently on the chamber wall or call 1-888-399-3514 using your mobile for assistance.
- Note that there is noise from the compressors/hose that pressurizes the chamber, the vents that circulate the air, and from the chamber itself as it pressurizes, but it is not overwhelming for most people.
- You can sleep, meditate, do some stretching, read a book or magazine, chat with your friends from your cell phone, do your homework, surf the internet, or listen to music as you please.
- All children under the age of 18 and clients with disability need to be accompanied by an adult at all times.
- This is an adjunctive therapy only; we do not seek to replace the advice of your physician.
- We reserve the right to refuse anyone who does not follow our safety precautions.

I certify that I have read and understand the above information to the best of my knowledge. The above questions have been answered accurately. I understand that it is my responsibility to update this information as needed. This includes changes in my medical conditions and personal contact information. I agree to be responsible for payment of all services rendered on me or my dependents' behalf. I will comply with all safety and health requirements, in addition to following the instructions of technician prior, during and post dive. I agree to hold Braingyastics harmless from any transaction that occurs throughout the process of my dive, and hereby authorize Braingyastics and its trained staff to treat me with mild hyperbaric oxygen therapy.
